Phyto May Win, Country Head, Business Development and Strategic Initiatives, SLCM Myanmar.

Sohan Lal Commodity Management (SLCM), a post-harvest logistics and agri-solutions company, has appointed Phyo May Win as the Country Head, Business Development and Strategic Initiatives, SLCM Ltd, for its Myanmar operations.

In this role, Phyo May Win will be responsible for overseeing SLCM's operations in Myanmar, driving strategic growth, and strengthening partnerships to enhance the company's market position.

An MBA and a certified project management professional, Phyo May Win joins with nearly 24 years of experience, and brings expertise in business development, sales leadership, and strategic growth. She has held key positions with the United Nations (Food and Agriculture Projects), leading hospitality chains (Park Royal, Novotel), and Prudential, where she served as Group Head Sales and Director Sales. She has led diverse teams and driven business transformation in Myanmar.

Expanding operations

A media statement said this strategic move aims to expand operations with its implementation of scientific warehousing offerings coupled with phygital solutions across agri and non-agri commodities in Myanmar.

Quoting Sandeep Sabharwal, Group CEO, SLCM, the statement said: Phyo's deep understanding of the Myanmar market, coupled with her extensive experience in business development and strategic growth, makes her the ideal leader to drive our next phase of expansion. We look forward to leveraging her expertise to further strengthen SLCM's footprint in Myanmar."

Phyo May Win said: "I look forward to expanding this success in Myanmar by enhancing technological integration, streamlining operations, and delivering greater value to our clients while strengthening SLCM's position in the region."

As the first Indian company to enter Myanmar's warehousing sector, SLCM has thrived for the past 10 years in Myanmar. Till date, the company has managed 300-plus warehouses having AUM of \$88.72 million, offering end-to-end warehousing solutions for more than 1,600 commodities in diversified industries of Myanmar, the statement said.
