New Delhi, November 16, 2023 – Sandeep Sabharwal, the dynamic and visionary CEO of SLCM, has been at the forefront of transforming the agricultural logistics landscape in India. With a rich and diversified experience spanning over 25 years, Sandeep has played a pivotal role in establishing SLCM as a professional Agri-Logistics Group specializing in post-harvest services.

Sandeep Sabharwal, an alumnus of St. Columba's School, has pursued his higher education with a Bachelor of Arts from the University of Delhi and holds an MBA from FSM, Delhi. Born to Mrs. Sudershan Sabharwal and Mr. Satish Chander Sabharwal, Sandeep has carved a niche for himself in the agriculture sector, with a strong focus on commodity storage, procurement, commodities market, trading, processing, warehousing, and financial services.

His journey as the Group CEO & Promoter of SLCM since 1996 reflects his commitment to innovation and excellence. Sandeep is a familiar name in top-line business publications and channels, where his insights on industry issues are highly sought after.

Awards and Recognitions:

Under Sandeep Sabharwal's leadership, SLCM has been felicitated with an impressive array of 49 national and international awards, showcasing the company's stupendous work. Some notable awards include the CII Industrial Innovation Award (2017), Best Warehousing Company in Collateral Management (2017), and the ET Global Logistics Excellence Award for Supply Chain Disruptor of the Year (2017). The World Bank CEO recognized SLCM for a report titled "Enabling the Business of Agriculture" in the same year. The list of accolades continued, with recognition from ASSOCHAM, ET Now Stars of the Industry Awards, Frost & Sullivan, Times Ascent, and Entrepreneur Magazine, among others.

In 2018, SLCM was awarded the Frost & Sullivan Project Evaluation & Recognition (PERP) for Agri Reach, highlighting the company's commitment to innovative technology initiatives. The SCM Pro Best Agri Warehouse Award and the Asia Pacific HRM Congress Award for Best Practices were also added to the list of achievements in the same year.

The momentum continued into 2019 with awards such as the ELSC Leadership Award, Best IOT Solutions in Warehouse Award, and the Dream Companies to Work for in the Warehousing Sector by ET Now World HRD Congress. SLCM's excellence in Agri Warehousing was acknowledged with the CII Scale Award for the third time in the Agri Warehousing category.

The recognition extended to 2021 and 2022 with accolades like the DIGIMARCOM Leadership 2021 and consecutive FICCI Sustainable Agriculture Awards in 2021 and 2022. Sandeep Sabharwal's leadership has undoubtedly propelled SLCM to the forefront of the agri-logistics industry.

Educational Background and Career:

Sandeep Sabharwal's educational journey began at St. Columba's School, where he laid the foundation for his future endeavors. He furthered his studies with a Bachelor of Arts from the University of Delhi and earned an MBA from FSM, Delhi. This academic background, combined with his inherent leadership qualities, has played a crucial role in shaping his successful career.

Since taking the helm at SLCM in 1996, Sandeep has been a driving force behind the company's growth and success. His notable works include the establishment of SLCM Group, where he serves as a Member of the FICCI committee appointed by the Government of India to study the warehouse model of the USA.

Sandeep Sabharwal has been recognized as the most innovative CEO in the industry by Inc India. His pioneering efforts include the development and patenting of "Agri Reach," an Agri Warehousing SOP that integrates technology into agriculture. This initiative has not only showcased his forward-thinking approach but has also contributed significantly to the efficiency and modernization of agri-logistics.

One of Sandeep's groundbreaking achievements is the disbursal of loans worth more than INR 28 billion over the last three years through SLCM's wholly owned subsidiary, the Kissandhan business unit. This initiative has directly impacted the livelihoods of over 5.00 crore people, positively affecting the lives of 25.00 crores people across the country.

In addition to financial empowerment, Sandeep has focused on technological advancements in the sector. He spearheaded the development of an AI ML Agri Quality Check Digital Application, which holds the distinction of NABL accreditation. This application has streamlined the quality check process, ensuring the delivery of high-quality agricultural products to consumers.

Conclusion:

Sandeep Sabharwal's journey from St. Columba's School to the helm of SLCM is a testament to his dedication, vision, and leadership in transforming the agri-logistics sector in India. With a trail of awards and recognitions, Sandeep continues to drive innovation and excellence, contributing significantly to the growth of the agricultural industry and the welfare of millions of people across the country. As he continues to lead SLCM into the future, it is evident that Sandeep Sabharwal's impact on the agri-logistics landscape will be felt for years to come.
