

SCMPro Award

Best Warehouse for Agri Commodity

Sohanlal Commodity Management Pvt. Ltd

Winner

This award is intended to honor the best Agri Commodity warehouse. The warehouse with the best architectural design, pleasant working environment, commercial success, quality of construction, access to public transportation, as well as attention to environmental sustainability and ensuring customer delight with a series of offering that go beyond storage and retrieval, delivering world class performance in warehouse operations, demonstrate continuous improvement and productivity utilizing the most appropriate equipment and software and a fully engaged workforce, was the winner. There were two firms who were very close as per the jury - with Sohanlal Commodity Management Pvt. Ltd inching ahead of National Bulk Handling Corporation Pvt. Ltd. The jury recommended that both the firms be honored.

By adopting scientific storage techniques, SLCM has reduced storage losses from 10 percent of total storage to 0.5 percent of the value of goods stored. To ensure quality, it undertakes 28 different audit processes every month. SLCM offers complete solutions in agri commodity management.
