SLCM bags SCMPPro Warehouse Awards 2018

19 March 2018 Author: [RM Bureau](#) Section: [Industry](#) Category: [Agriculture](#)

The agri service solutions provider, SLCM recognised in the "Best Agri Warehouse" category for bringing in the best practices in warehousing into India

Related Category: [Post- Harvest Management](#) Sub Category: [Agribusiness](#)

Sohan Lal Commodity Management (SLCM), India's leading agriculture service solutions provider with operations in India and Myanmar, has won the SCMPPro Warehouse Awards 2018 in the 'Best Agri Warehouse' category for bringing in the best practices in warehousing into India.

Ankur Jaipuria, Chief Business Officer and Neeta Israni, Assistant Manager - Corp Comm at SLCM received the award from Vijay Wadhvani, AVP - Supply Chain Management, Relaxo Footwears at the SCMPPro Warehousing Summit on March 17, 2018 in Mumbai.

SLCM is an ISO certified global post-harvest agri-logistics group providing one-stop integrated solutions with a diversified portfolio of services ranging from warehouse management, agriculture financing and collateral management to procurement. The group currently manages 2,295 warehouses and 19 cold storages across India using a proprietary scientific storage management system 'AGRI REACH'. The efficacy of 'AGRI REACH' has been attested in a study conducted by industry body FICCI which found that storage losses can be reduced from 10 percent to a minimal 0.5 percent using the system.

Highlighting about the award, SLCM Group CEO, Sandeep Sabharwal said, "We are honoured to receive this award as testament to the tireless commitment of the SLCM team to develop and provide a scientific and technologically robust, system oriented warehousing solutions that ensures minimal to negligible losses."

"Our tie-ups with leading international and national financial institutions enable us to render an innovative and one-stop solution to our clients -- and it's exciting to see our work recognised as leading the way for supply chain professionals in India. We remain committed to spearheading innovation in the warehousing as part of our endeavour to improve industry standards," Sabharwal added,

SCMPPro Warehouse Awards is a third-party recognition for corporates in the warehousing and supply chain domain in India. The award recognises the achievements of the sector by honouring commitment to excellence, customer orientation, technology back up, HR practices and business excellence. It also aims to inspire a comprehensive exchange of ideas and best practices to create supply chains that deliver true strategic advantage.
